Standing and Working Heights

To help you purchase furniture that complies with the British and European Standards (1729), the following height guide indicates which fixed seat heights and table heights are suitable for the correct age and size. To ensure you purchase the most accurate height furniture in compliance with the standards, we recommend that you measure the stature and popliteal height. You can then match those measurements using the guide below.

Size Mark

1. Nursery (3-4 years)

250-280mm Popliteal Height Range
930-1150mm Stature Range
590mm Standing Table Height
